

FILMING NOTICE

Dear Residents,

Please take a moment to read the following information about **the proposed filming of the production 'Z' in Almonte on June 22nd, 2016**. Cipher Film Ontario Inc. would like to provide you with as much information as possible about our presence in order to help you prepare for our arrival and anticipate how our activity might affect your daily routine.

We will **be returning to 137 Elgin St. on June 22 2016**, sometime between 1200 to 1800 for approximately 6 hours. Our trucks will be parked in the same configuration as they were on the 6th of June with similar encroachments onto Elgin Street. Once again we apologize for any inconvenience and will do all in our power to minimize the impact of our activities in your neighborhood.

We will be doing most of our filming outside of 137 Elgin Street. While we will not be closing the road, there will be some encroachment in front of 137 Elgin Street, as well as, on Anne St. adjacent to 111 Elgin Street. We will try to minimize the impact we will have on your daily routine as well as accommodate whatever requirements you may have.

While our basecamp will be located at the Almonte Curling Club, there will be several trucks on site. These will be parked on Anne Street and Church Street. These trucks will arrive in the morning and will be parked for about 6 hours, before moving to another location in Almonte.

While we are in your neighborhood you can also talk to our on-site representative.
